Affiliate Partner Program

Port United are pleased to announce that we have accepted an offer to join the Affiliate Partner Program with Sports and Spinal Physiotherapy Clinics, Port Macquarie.

The Affiliate Partnership sees the [Sports and Spinal Physiotherapy Clinics](#) become the Port United club's preferred provider of Physiotherapists/Exercise Physiologists/Massage Therapists services in Port Macquarie.

Sports and Spinal's Dean Lawler has outlined the Affiliate program which will provide a number of services for United's Men's Premier League squad and also a number of other options and services for all club players, officials and family members.

Sports and Spinal Physiotherapy is only offering their specialised services to selected sporting Clubs, i.e. only one Club is selected per sport. Port United is the Port Macquarie Football (soccer) partner.

Benefits of the partnership include

- 20% off the cost of an initial assessment and treatment sessions with Sports and Spinal Physiotherapists/Exercise Physiologists/Massage Therapists which is available to all Port United players, officials and family members or players.
- Priority access to Sports and Spinal Physiotherapists/Exercise Physiologists where speed of treatment is important – for example, Acute Injury Clinic on Monday mornings and Saturday mornings at a special rate for United's Premier League squad and a \$15 fee for other club players.
- 25% off taping and braces/supports.
- Free game day taping (Premier League Only).
- Free advice from our Physiotherapists following an injury for all grades and age groups.
- Free training sessions (s) with our Exercise Physiologists (to help develop speed and agility/ endurance for players).
- Attendance at home games and finals (Premier League Only) to assist in taping and injury management.
- Pre-season Physical Screenings (Cost worn by players).
- Club members with private health cover will still be able to claim the cost of treatment under their policy under a discounted rate.

Sports and Spinal will also provide

- Articles for newsletters if required.
- Listing on their website for Port United as an affiliated club.

All Sports & Spinal ask in return is that Port United to do the following:

- Promote Sports and Spinal Physiotherapy Clinics as the preferred provider.
- Promote Sports & Spinal's clinics to our members by way of flyers on notice boards or hand outs and on social media.
- Sports & Spinal's name and contact information on Port United website.
- Advertising in your newsletters, fixture cards or programmes, display of Sports and Spinal Physiotherapy Clinic banner at all home games.
